

**INTERNATIONAL  
HIFU CENTERS**

# Enjoy a better quality of life!

**HIFU is as simple as:  
IMAGE. CLICK. CURE.**

**The future in prostate cancer care, today,  
by the world's leading HIFU expert.**

High intensity focused ultrasound (HIFU) is a non-surgical, outpatient procedure performed by leading urologist, **Dr. George Suarez** - who has a 98% cure rate for prostate cancer - while preserving urinary function and sexual potency.

**NO CUTTING - NO SUTURES - NO CHEMO - NO RADIATION**

With a 95% decrease in PSA levels and up to 10 years of no cancer recurrence, HIFU can be used as a first line of treatment or as a safe salvage therapy when other prostate cancer treatments fail.

***EXPERIENCE YIELDS BETTER RESULTS.***

Trust the world's leading HIFU expert with over 15 years of experience and more than 2,000 cases performed.

***Every prostate cancer is unique... so is our experience to treat them.***
